

Rev. J. M. Evans has gone to Muhlenburg county to conduct a meeting for Rev. Mr. McMullen.

The Misses Byron of Tuckahoe were guests of their sister, Mrs. Thomas Malone, and attendants at the ball at Washington last night.

John Johnson, through his Attorney, A. D. Cole, has filed suit in the Mason Circuit Court against the Chesapeake and Ohio Railway Company for \$25,000 as remuneration for the loss of his lower limbs. It will be recalled that while on his way to work at the Coal Docks—about two months ago—he was run down by a C. and O. freight train in charge of Harry Caldwell, Conductor, and Frank Robinson, Engineer, and his limbs so badly mangled that both legs had to be amputated below the knees.

Laxative for Women Free

There is a great difference in the purposes to which a laxative should be put. Tablets and pills, salts, etc., are usually violent purgatives or cathartics, and altogether too powerful for the average person.

A woman at all times needs only a mild laxative—in fact, none other is needed by anyone, weak or strong though they may be, for the object is simply to move the bowels, and if a gentle laxative will do it, what is the use of a violent one?

Dr. Caldwell's Syrup Pepsin has earned a well-deserved vogue among women and children and old folks—people who must necessarily be careful of what they take. It is a liquid laxative tonic and admittedly the greatest stomach, liver and bowel remedy before the American people. The price is only 50 cents or \$1 a bottle, as it comes in both sizes, and all druggists sell it. Its pleasant taste and gentle action make it an ideal remedy for women in constipation, torpid liver, sour stomach, sick headache, heartburn and such like digestive complaints. Its use for a short time will remove the trouble entirely so that future medication will be unnecessary. Its tonic properties build up the stomach and intestinal muscles so that they act naturally again. That this is so is the experience of many heads of families, like Mrs. Brannan, of Alvarado, Va., Mrs. K. L. Stout, of Louisville, Ky., and numerous others; in fact, way out in Williams, Cal., as Mrs. J. E. Blackmore, of that place, writes, the whole town seems to be using it.

If the remedy is new to you and you want to make a trial of it before buying, send your name to the doctor's address as below and a free test bottle will be sent you. Then, if results are satisfactory you can buy it of your druggist.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. E. Caldwell, 507 Caldwell bldg., Monticello, Ill.

News from Rev. W. W. Akers, who is sojourning at Charlotte, N. C., is that he is getting along splendidly and that he will be here to fill his pulpit at the Central Presbyterian Church on Sunday, May 24.

The notice of the arrest of a demented colored woman on the streets, which appeared in Wednesday's LEDGER, should have read Abbie Lee Walker instead of Lida M. Walker, as the article had it. The latter is of sound mind and objects, as is perfectly natural, to being placed in the non compos mentis class. The writer was misinformed as to name and cheerfully makes correction.

A FRENZIED YOUTH

Commits a Horrible Deed—Robert Clayton Meets an Untimely Death at the Hands of Henry Gates

Wall, between Second and Front streets, with its unsavory reputation for brawls, fights and killings, was the scene yesterday afternoon about 1:30 o'clock of a deliberate and atrocious murder.

Henry Gates, Jr., a feeble-minded youth, of 21 years, who committed the deed, is a well-known character about town and whose imbecility is of general knowledge.

Gates lives with his parents in the dilapidated brick building situated on the Northwest corner of Wall and Front streets and it was from the second story Wall street window that the fatal shot was fired.

There are several versions pertaining to incidents leading up to the killing, but the essential facts are about these. Omar and Hogan Gilbert, Robert Clayton, John Sloan, John Jones and another, hangers-on about the street, had congregated on the corner immediately in front of Gates' home, and were having a good time—in the gang's way—singing and dancing to the thrumming on a banjo by one of the party. It is also said they were teasing and tantalizing the boy. However that may be, he went upstairs and after raising the window secured a double-barreled shotgun, poked the barrel out of the window and fired point-blank at Clayton, blowing the top of his head off, the unfortunate young man dying almost instantly.

The only person present in the room at the time beside the enraged and crazy boy was his sister-in-law, who was unable to restrain him in committing the crime. Gates was arrested and is now in Jail awaiting a preliminary hearing.

After the holding of an inquest by Coroner Dreesel, the body was removed to Porter's Undertaking rooms, where it was prepared for burial.

The funeral will take place from the residence of Mr. Henry Rasp in West Second street at 4 o'clock this afternoon. Interment in Maysville Cemetery.

Newbro's Herpicide

IS PRAISED BY

PAULA A. EDWARDES.

Paula A. Edwardes, the well-known theatrical star, writes as follows:

"I am charmed with Newbro's Herpicide. It is a refreshing hair remedy, producing a beautiful luster and a luxuriance of growth, at the same time keeping the scalp free from dandruff."

Very truly yours,
(Signed) PAULA A. EDWARDES.
New York City.

Good results from the use of Newbro's Herpicide mean as much to one person as to another, but on the other hand, the fact that leading theatrical stars prefer Newbro's Herpicide is an important point in its favor. Professional people have an inclination and an opportunity—not enjoyed by others—to discriminate in their choice of toilet remedies and their opinions should not go unheeded.

The extraordinary success of Newbro's Herpicide is due to the simple fact that it kills the dandruff germ. While other remedies treat the disease that results in hair loss, Newbro's Herpicide destroys the cause of the disease, after which nature grows the hair, if it is not too late.

Chronic baldness cannot be cured, but before the hair follicles are too badly diseased one can, by careful treatment and intelligent sanitary care, keep down and ultimately destroy the tiny vegetable growth (dandruff germ.) whose continued presence in the sebaceous glands of the scalp means hair destruction.

Ladies become enthusiastic over Newbro's Herpicide, because it brightens up the hair and keeps it light and fluffy.

Stops itching of scalp almost instantly.
Delightfully refreshing.
